Due to the anticipated arrival of Hurricane Irene the Town of New Baltimore has activated its emergency management Plan. As part of this plan the Town of New Baltimore will be opening 2 emergency shelters for those in need. Shelter number 1 will be at the Medway Grapeville Fire Station on County Route 51. Shelter number 2 will be at the New Baltimore Fire Station located at 77 Gill Road. Both shelters will open at 8:30 am on Sunday morning and will remain open for as long as needed. Anyone who will be relocating to one of the shelters please call 756-6600 to hear details including contact numbers for the shelters and what you will need to bring with you. If you have further questions after listening to the recording please contact the office of emergency management at 518-365-4479.
