Call 518-943-4600 for more information.

How and What to Recycle

20 lb. Propane Cylinders – Accepted at all transfer stations for a fee.

Newspapers & Telephone Books – Newspapers are to be tied with cotton twine only, or put into brown paper bags.

Cans – Do not need to remove labels or flatten cans.

Corrugated Cardboard – Must be flattened and bound. Maximum size 3' X 3'. No wax-treated cardboard. Commercial residents should use the Catskill or Hunter Transfer Stations.

Glass Bottles & Jars – Must be clean with caps and plastic or metal neck-bands removed. Labels may be left on.

Scrap Metal – Accepted if less than 3' in length.

Appliances – Such as washing machines, dishwashers, etc. are accepted at all transfer stations for a fee.

Plastic Bottles (soft) – Such as milk, juice, soda, syrup, detergent, bleach, shampoo, etc. Must be clean with caps and plastic neck-bands removed. Crush when possible. All bottles must have a triangular recycling symbol with a 1, 2, 3 or 5 stamped on the bottom.

Car Batteries & Tires – Batteries are accepted at all transfer stations. Tires are accepted for a fee.

Electronics – Such as personal computers, televisions, printers, fax machines, etc. Accepted at all transfer stations for a fee.

Waste Oil – Used oil from cars, trucks or other engines is accepted at oil recycling centers. Collect oil in a clean container. DO NOT mix oil with any other liquid. **ATTENTION!** Do not put waste oil into the garbage, landfill or pour onto the ground. It will seep into the ground contaminating drinking water and harming the environment.

Other Paper – Such as magazines, catalogs and other glossy papers should be tied with twine. Office paper, envelopes, computer paper and junk mail should be put into brown paper bags.

Textiles – Such as clothes, must be clean, dry and in reasonably good condition are accepted at all transfer stations.

What Not to Bring

Hard Plastics – Such as cottage cheese or yogurt containers (containers that break when crushed) and styrofoam.

Food Scraps & Yard Waste – Such as compost vegetative matter and leaves or branches from your yard.

Deposit Containers – Such as soda cans and bottles that can be returned to a store to collect a deposit.

Contaminated Plastics – Such as those used to transport waste oil should be put into your regular garbage.

Glass Products – Such as clay pots and light bulbs.

Other Paper – Such as carbon paper or blueprints.
