County Legislator Pat Linger

February has been busy for the Legislature. The hottest topic, once again, has been the new jail project and the parallel path of sharing a jail in Columbia County. While no tax dollars have been spent in researching the shared option to this point, we do have a request from Columbia County to share the cost of a \$60,000 feasibility study to determine the ability to build on their soil. It is my position that we not invest Greene County tax dollars on an initiative that at this time is not allowable by law, and we have no ownership of. Having spoken personally with many of our town residents, there are several misconceptions and misinterpretations out there. I have tried to clear these up to the best of my knowledge, and the vast majority that have contacted me don't want to see their tax dollars spent in Columbia County. As I have mentioned many times before, what you read in the papers is only the information they want to print, not the whole story. The shared option is very unpredictable from a budgetary perspective, and still leaves Columbia County in a linear supervision operation, which the NYS Commission of Correction is requiring Greene County to move away from. When that requirement is imposed on the Columbia County facility, and it will be as history has shown across the state, we will then be responsible to pay 50% of that bond with no control over the spending. The more information we gain about this option, the more penny-wise and pound-foolish it becomes. There are also differing opinions regarding the inclusion of the Sheriff Administration in the new design, at a cost of \$2.4 million. A cost-benefit analysis was done on the existing space to rehab or demo and build new, as well as purchasing the St. Patrick's campus as another option. The least expensive option was to demo and rehab the existing office/jail and build new. That cost estimate was \$3 million, or \$600,000 more than including the space in the new jail facility. Governor Cuomo has announced the final round 3 broadband grants. In Greene County, Margaretville Telephone was awarded \$4.8 million and Mid-Hudson Data Corp was awarded \$4.4 million. A little side note, that does include Columbia and Greene Counties so it's not \$4.4 million just to Greene County. The State Telephone Company application was not awarded. Our Economic Development and Real Property Services offices are working closely with the providers now to break down what areas will be served under the new grants, and what areas will still need to be serviced. The GC Dept. of Human Services has announced the open nominations for the 2018 Youth of the Year Award. Nomination forms will be accepted through March 31st. The 8th annual Senior Citizens Day will be held on May 18th from Noon to 3pm at the Catskill Point. This event will have a Mardis Gras theme. The Board appointed Warren Hart as Deputy County Administrator this month. This appointment will provide continuity in the event of the Administrator's absence, and recognizes Warren for the hard work he does as Director of Economic Development, Planning, and Tourism. Most of the resolutions passed this month were renewal of contractual agreements so I

won't go into specific detail on those. I will be awarding the first 2018 Speenburgh Grant later this week to the RC Sportsman's Club for their Youth Archery program. In the last 3 years, this program has grown from 20 kids to nearly 70 in attendance. It's a positive presence in our community and I am glad for the opportunity to support them! One thing that I was back and forth with today so I don't have an answer for sure, is Wednesday, February 28 is the one-year anniversary of the death of our Sheriff's Deputy Kevin Haverly who died in an auto accident last year and I'm attempting the okay to fly the flags in Greene County at half-staff in remembrance of him. We almost have it; when I get that I will let you know for sure if you'd like to take part in that as well. Anybody have any questions, the Board or the audience?

Councilmember Downes: The RCS grant..

County Legislator Linger: The R-C Sportsmen's Club.

Councilmember Downes: Is that in our district?

County Legislator Linger: It is; it's on New Baltimore Road and it serves a lot of kids from New Baltimore.

Supervisor Ruso: Thank you very much, Pat.
